

Change of Use/Renovation Sewer Connection Completion Form

The following form is a reminder of the special conditions outlined in your NBC Connection Permit. For a full list of special conditions, please see the original permit issued.

The conditions listed below must be adhered to by all permittees connecting indirectly to the NBC sewer system and discharging sewerage that will be treated at NBC's Wastewater Treatment Facilities:

- **Submit this form** to the NBC Permit Department within five (5) business days of completing change of use/renovations of the building connected to the public sewer system. **Failure to submit this form may result in fines and penalties.**
- You must either fax this completed form to 401-461-6540, email it to kkirwan@narrabay.com or mail it to Ms. Kimberly Kirwan, Narragansett Bay Commission, One Service Road, Providence, RI 02905.
