

## LIST OF LICENSED LABORATORIES

The following list of licensed laboratories was obtained from the Rhode Island Department of Health on June 1, 2012. The information is provided as a convenience by the Narragansett Bay Commission and does not constitute an endorsement of any company. The most up to date information for licensed laboratories can be obtained by contacting the Rhode Island Department of Health. It is strictly the responsibility of the user to ensure that sampling and analyses are conducted in accordance with EPA methodology and that the laboratory is licensed to perform the analyses for required parameters.
